"A good library will never be too neat, or too dusty, because somebody will always be in it, taking books off the shelves and staying up late reading them."

~ Lemony Snicket

Note to parents...

Do you want to stay connected to your high school student but are not sure how? Our Media Center welcomes parent volunteers ("Friends of CSD's Library"), especially during our lunch periods. Would you consider donating just a half hour or hour a day/or week to stop in the Media Center during lunch time and help monitor students while mingling and getting to know them better? We are always looking for volunteers and would welcome your help while you become an integral part of our school-community.

#### Lunch periods:

1st: 10:35-11:05

2nd: 11:30-12:00

3rd: 12:25-12:55

"Everything you need for a better future and success has already been written. And guess what? All you have to do is go to the library."

~Henri Frederic Amiel

## C.S.D.H.S. Mission

It is our mission to provide the students of Cambridge-South Dorchester with a variety of programs in a safe and caring environment where we will enable them to be successful in any post-secondary endeavor. Through these programs students will become productive citizens:

- Personally
- Ethically
- Physically
- Socially
- Intellectually

Cambridge-South Dorchester will serve the community as a center for educational, artistic, and athletic programs, gatherings and meetings.

## Media Center Purpose

The Media Center at C.S.D. will play an integral role in the growth and development of students & staff in our school's quest to prepare students for academic achievement, as well as for success in life, by providing the following:

- Books and resources.
- Learning experiences to help students become "information literate".
- Access to print and non-print information.
- Intriguing, high interest, age appropriate reading material that will capture the interest of all students.
- Self-guided writing tools to help students become better writers.
- Homework-help tools to assist students with assignments and projects.
- Informational, self-help resources & books to help students with personal issues, such as health, fitness, goal-setting, problem-solving, college/career choices, etc.
- A user-friendly atmosphere where all students feel welcome and comfortable.

## Information Literacy

**Information Literacy** is defined as the ability to know when there is a need for information, to be able to identify, locate, evaluate, and effectively use that information for the issue or problem at hand.

### How do I know if I'm "information literate"?

- I can access **info.** efficiently & effectively.
- I evaluate **info.** critically & competently.
- I use **info.** accurately & creatively.
- I appreciate literature & other creative expressions of **info.**
- I practice ethical behavior when seeking **info.**

**Media Center open in mornings before 1st period. Students do NOT need teacher permission.**

**Lunch time- Students MUST have a lunch pass. Passes are given out on Mondays for the week.**
