

Learning Target	Minimally Proficient	Partially Proficient	Proficient	Highly Proficient
11-12.W.7.C Synthesize multiple sources on the subject, demonstrating understanding of the subject under investigation	Used only a single source on the subject to support a minimal understanding of the topic.	Used multiple sources on the subject to support a partial understanding of the topic.	Synthesized information from multiple sources on the subjunction and the subjunction of the top.	Synthesized information from multiple sources on the subject, demonstrating a high level of depth and understanding of the topic.
from multiple authoritative print and digital sources, using	Gathered irrelevant information from print and/or digital sources; Information lacked authority or did not come from multiple sources.	Gathered some relevant information from multiple print and/or digital sources.	Gathered relevant information from multiple authoritative rint and/advanced search effective.	Gathered highly relevant information from multiple authoritative print and/or digital sources using advanced search effectively.
<b>.</b>	Lacks integration of information into the text to maintain the flow of ideas; attempted to avoid plagiarism, or overreliance on any one source. Inconsistent use of a standard format for citation.	Attempted to integrate information into the text to maintain the flow of ideas; attempted to avoid plagiarism, or overreliance on any one source. Attempted to follow a standard format for citation.	Integrated information into the text selectively to maintain flow of ideas, avoiding plagiarism a dove Followed appropriate standarformat for citation.	Expertly integrated information and text selectively to maintain flow of ideas, avoiding plagiarism and over reliance on any one source. Followed appropriate standard format for citation.

# Before we go on to explore the databases...

Know about Boolean Logic

- What is Boolean Logic?
- Brainstorm search words & terms (list them)
- Understand <u>plagiarism</u> and how NOT to plagiarize
- Cite your sources first, not last (Do your <u>Works Cited</u> page right away)!
- Use a Citation Tool (Bibliography.com or <u>citationmachine.net</u>)
- For extra help: <u>https://owl.purdue.edu/owl/research\_and\_citation/resources.</u> html

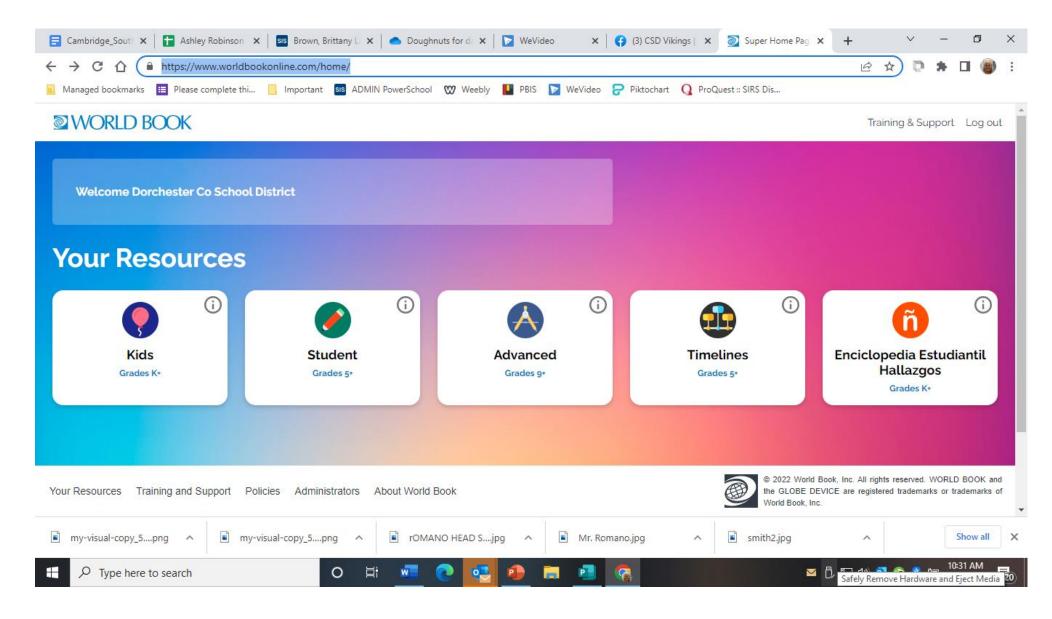

### How to Utilize Databases as a DCPS Student...

- Go to: <a href="https://dcps.k12.md.us/especially-for/students">https://dcps.k12.md.us/especially-for/students</a>
- Find: Digital Resources
- Scroll through list, and explore the following:
  - World Book Online: Username dorchester Password worldbook
  - Gale Databases: No Username required; Password dcps
  - **ProQuest**: Username dcps; Password learn

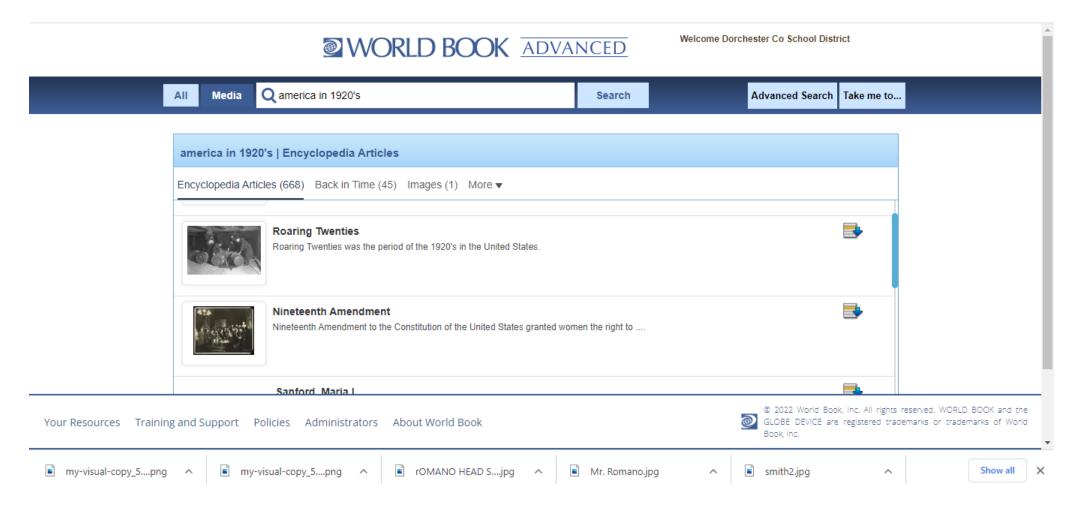

\*Handout or take a photo of the usernames & passwords.

## World Book
